

Lead Climbing Class Scholarship App

Need and Merit-Based

Lead climbing is dangerous and requires specific skills when climbing and belaying. The Michigan Climbing Club wants all leaders to climb safely. The best way to ensure this is for everyone to take a lead class before getting lead certified. Planet Rock offers lead lessons for \$65. If this is too costly for you, you have come to the right place! Submit this scholarship application to the MCC E-Board. If you are approved, please sign up for a class and send us your receipt so we can refund you.

Lesson participants must be 16 years or older, be able to climb multiple routes of 5.10+ grade in succession, and be comfortable using an ATC belay device. The lesson consists of a 3-hour class and 30-minute lead check on your next visit to the gym.
